MR. Abdullah Hassan

CEO & Founder at RAYA

I couldn't be happier with the security camera installation from SASSC. The team was professional, efficient, and the quality of the cameras exceeded my expectations. I feel much safer knowing my property is being monitored 24/7. Highly recommend!

MR. Mohamed Al Mulla

CEO & Founder at ARAMCO

SASSC provided us with a comprehensive security system tailored to our business needs. The system is user-friendly, and the support from their team has been exceptional. We've had no issues, and I'm impressed with their level of service.

MR. Saleh Awad

CEO & Founder at JARIR

The intercom and access control system installed has greatly improved security and convenience for our building. The team was knowledgeable and ensured everything was set up exactly as we needed. It's been a game-changer for our operations.

MR. Ahmed Ihssan

CEO & Founder at Al JUMAI7

We recently upgraded our sound system with SASSC, and the difference is remarkable. The audio quality is superb, and the team provided excellent guidance throughout the process. Our customers have noticed the improvement, and we couldn't be happier.

OUR HISTORY

2018

Founded in 2018, SASSC emerged with a clear vision to revolutionize security, connectivity, and advertising solutions. From humble beginnings, our commitment to quality and customer satisfaction quickly gained traction, laying the groundwork for our remarkable journey ahead.

2019

Since our inception, SASSC has experienced rapid growth and expansion, becoming a trusted leader in the industry. Through strategic partnerships and a relentless focus on customer-centric solutions, we now serve clients across more than 60% of Saudi Arabia, solidifying our position as a go-to provider in the market.

2020

At SASSC, we prioritize staying ahead of technological advancements. By investing in the latest innovations, from security cameras to networking solutions, we empower our clients with cutting-edge technology to enhance their security, connectivity, and advertising capabilities.

2021

Our partnerships with esteemed clients like ARAMCO, STARBUCKS and ADEER highlight our ability to deliver tangible results. These success stories underscore our commitment to providing unparalleled value and service, regardless of project size or complexity.

2030

Looking ahead, SASSC remains dedicated to supporting Saudi Arabia's vision for 2030 and beyond. With a focus on sustainability, innovation, and excellence, we are poised to play a key role in shaping the future landscape of security, connectivity, and advertising in the region.

OUR WORK PROCESS

We provide insight into our systematic approach to solving your security, connectivity, and advertising needs. Professionalism is at the core of everything. From identifying the issue to delivering tailored solutions, our meticulous process ensures that every project is executed with precision and expertise. Join us as we take you through the steps of our work process and demonstrate our commitment to excellence.

01

Our work process begins with a thorough analysis to identify the specific challenges and requirements of each client. We take the time to listen and understand your concerns, ensuring that we have a clear understanding of the issues at hand. Through in-depth consultations and assessments, we gather valuable insights that serve as the foundation for developing effective solutions tailored to your unique needs.

02

Once the issues have been identified, we move on to developing a comprehensive strategy to address them. Drawing on our expertise and industry knowledge, we devise customized solutions that are tailored to meet your specific objectives and budget constraints. Whether it's enhancing security measures, optimizing network infrastructure, or implementing dynamic advertising displays, our strategic approach ensures that every aspect of your project is carefully planned and executed.

03

With a solid strategy in place, we proceed to implement the agreed-upon solutions with precision and efficiency. Our team of skilled technicians and engineers work tirelessly to install and configure the necessary equipment and systems, ensuring seamless integration and minimal disruption to your operations. Throughout the implementation process, we maintain open communication and provide regular updates to keep you informed every step of the way.

04

Once the solutions have been implemented, our work doesn't end there. We believe in the importance of ongoing monitoring and evaluation to ensure that the solutions continue to meet your evolving needs. Our team remains vigilant, conducting regular assessments and performance evaluations to identify any areas for improvement and make necessary adjustments as needed. With our commitment to continuous improvement, you can trust that your project is in capable hands from start to finish.

At SASSC, professionalism is not just a buzzword – it's a commitment we uphold in every project we undertake. From defining the issue to delivering tailored solutions, our systematic approach ensures that your security, connectivity, and advertising needs are met with precision and expertise. Contact us today to experience the SASSC difference firsthand.
